Growing Minds, Healthy Futures

Youth Brain Development and Outcomes (or effects) of Addiction

November 21, 2026 (Saturday)

One Love

670 Auahi Street

(Overflow room/Mauka of Sanctuary)

1:00 - 3:00 p.m.

Dr. Hale Akamine
Clinical Psychologist
(Practicing over 35 years)

Marcus Oshiro
Fomer State Representative and
Hawaii Labor Relations Board
(HLRB) Chairman

Help our young people build healthy futures—mind, body, and spirit. Join Dr. Hale Akamine and former Hawai'i legislator Marcus Oshiro for a summit on youth brain development and the risks of legalizing recreational marijuana and gambling. Explore how faith, family, and community can support prevention, nurture purpose and hope, and guide young people toward healthy choices and readiness for life and work.
